Sale *by* Auction

SIoux CITY, IOWA

The Announcement

* * *

Throughout the years of depression from which we are just now emerging, the safest and most profitable equipment on a corn belt farm was a herd of Shorthorn cattle. The farmer who had that asset weathered the storm better than his neighbors and in many instances came through it better fixed financially than when it started.

For good reasons, Shorthorns are the most popular cattle in the corn belt. They make better gains when fed than cattle of any other breed and their ability to turn a profit in the dairy as well as in the feed lot make them the most desirable of cattle.

The five breeders who are consigning cattle to this sale selected their foundation material with regard to all of the purposes for which cattle should be maintained and as a consequence are enabled to offer the best and most useful type of cattle at this time. The pedigrees in this catalog will be found to be attractive. The cattle as individuals will be found to be still more so.

If you are in need of a herd bull you will find one, of the improving sort, in this sale. If you wish to improve the general average of your foundation females, you will be able to find the sort of cows with which to accomplish that purpose here. If you are starting a new herd, it pays to start with the right kind of breeding stock so that you will not have to dispose of your initial purchases and start over again in a year or two. You will find the proper kind, properly bred, in this sale.

The fifteen impressive young bulls that are listed in this catalog are much above those that have been sold in other sales in Iowa this year. The large per cent of the females that are in the sale that have calves at foot or are soon to drop calves to the service of bulls of exceptional merit will prove attractive to those who know what is the most profitable purchase to make.

Terms and Conditions

LOCATION—The sale will be held at the fair grounds at Corning, Iowa, on Thursday, December 14, 1933. Corning is on U. S. Highway No. 34 seventy-six miles southeast of Omaha. Highway No. 34 is paved entirely across the state of Iowa and is intersected by all of the north and south paved highways within the state, making the sale easily accessible by paved highway from all parts of Iowa and adjoining states.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to H. S. Duncan, Creston, Iowa, the auctioneer; to M. T. White of Wallaces' Farmer and Iowa Homestead; or to any of the consignors.

PRICES OF PURE BRED CATTLE ARE LOW BUT RECENT SALES SHOW A DISTINCT UP-CURRENT AND THEY WILL BE MUCH HIGHER IN THE NEAR FUTURE AND FOR A LONG TIME TO COME. FOR BREEDING PURPOSES, THE BEST CATTLE ARE ALWAYS THE CHEAPEST. YOU WILL FIND THE CATTLE IN THIS SALE TO BE PARTICULARLY DESIRABLE.

WILL JOHNSON, Sale Manager,
